The Bread of Life

Suffering is the True Cement of Love

Humanly speaking no one welcomes suffering. On the contrary, we try and avoid suffering of all kinds. Since suffering is almost always comprehended negatively, our lives seem miserable and difficult. Yet, suffering is an inevitable part of life. They can never be completely avoided. However, they hold great significance in the lives of those who endeavor to bear with them, after the example of Jesus. For Jesus endured and accepted all kinds of suffering from his birth, through his public life, passion and death on the Cross.

" Who is Jesus for us? Who is the Messiah we follow? A conquering king or a suffering servant? A true disciple is ready to choose the hard way of taking up the cross and following God's Son who saved the world through suffering.

Prayer of Saint Francis

Lord make me an instrument of your peace, not so much seek to be consoled as to console;
 Where there is hatred let me sow love. to be understood as to understand;
 Where there is injury, pardon. To be loved as to love
 Where there is doubt, faith. For it is in giving that we receive-
 Where there is despair, hope. and it's in pardoning that we are pardoned.
 Where there is darkness, light. And it's in dying that we are born to eternal life. Amen.
 And where there is sadness, joy.
